

# **Westside** Regional Medical Center

**For physicians only...**

**When you need  
something resolved  
*Right Now!***

Westside Regional Medical Center has implemented a physician response system to ensure you get what you need, when you need it.

Call **954-370-4448** any day, around the clock, and you will reach the Westside Regional Medical Center Chief Nursing Officer, Chief Executive Officer, Chief Operating Officer, Chief Financial Officer or a Nursing Supervisor who will immediately address your patient care needs or concerns.

Rolodex and wallet cards with this phone number will be sent out for your convenience.

For additional information, please speak with Kristen Lindenboom, Director, Physician Relations, or any member of the Administrative Team.
